

Long-Distance Purchases

Long-distance purchases are a fact of life; we gladly provide you with references to make your purchase process delightful and successful.

With an approved questionnaire and application, you may make a deposit for your new companion through this site. You will be informed by phone or email if you can reserve one of our special puppies or dogs. Please note that a minimum deposit of \$250 is required. All purchases must be approved by Annette Sackrider. If your application is not approved, your deposit will be refunded. All approved deposits are transferable to another litter within a two-year period if a litter does not produce a suitable matching pup for you or if your situation changes, requiring the process to be delayed.
